Doretha,

Please order a SCORPIOS report for the West CR 112 Groundwater Superfund site (A6R6). This SCORPIOS report must reflect all unreconciled costs for the Site for the period that begins from the Site's inception and ends with the most recent date for which cost information is available.

The SCORPIOS report is needed to prior to a meeting that is scheduled for tomorrow at 1:30 pm.

Participants of this meeting include a possible future buyer(s) and/or lessee(s) of a certain tract of land that is located within this Site's boundaries. Meeting pertains to attendee's interests about Bona fide prospective purchaser agreements (BFPP), prospective purchaser agreements (PPAs), and/or prospective lessee agreements (PLAs).
